St. Francis of Assisi Outdoor Chapel

Located 12 miles from the south entrance to Yosemite National Park and an hour north of Fresno, the Episcopal Conference Center, Oakhurst sits at an elevation of 3,100 feet. We're high enough to escape the central valley fog yet low enough to enjoy a dusting of snow in the winter, along with a colorful four-season climate. ECCO's grounds encompass 163 forested acres with oak, incense cedar, manzanita and ponderosa pine.

Sumner Walters Chapel

ECCO is the perfect place for your special day. Choose between our beautiful St. Francis of Assisi Outdoor Chapel overlooking an inviting pond or Sumner Walters Chapel with its beautiful stained glass window depicting Half Dome and Yosemite Falls.

Complete your event with a reception in Lyles Dining Hall where up to 200 guests can be accommodated.

Our culinary team are committed to serving you the freshest wholesome and delicious meals prepared from scratch. Local, sustainable, and in season products are used as much as possible and ECCO even grow some of our own herbs and vegetables. The Chef works with local farmers finding ways to support each other and reduce our carbon footprint.

Meal price does not include cost of linens, glassware for toasts, decorations or centerpieces, cake cutting and service, or serving and bussing. We will gladly discuss with you the additional cost if you choose to add any of these options.

ECCO offers two separate meal packages

The ECCO Buffet includes: choice of one display, two hors d'oeuvres, one entree, one vegetable and one starch
The Grand Buffet includes: two displays, three hors d'oeuvres, two entrees, one vegetable and one starch
